Workshop on: Latest Regulatory Environment - Empowering Sites & Ethics Committees

With recent changes in regulatory scenario of India, there is a need for quality training for all stakeholders in Clinical Research. **This workshop is thus organized to meet the following Objectives:**

- To orient Sites and Ethics Committees w.r.t regulatory updates and its impact on their functioning.
- To discuss best practices for communication and functioning between Sites, Ethics Committees and Indian Regulatory system.
- To discuss and deal with the challenges faced by Site Staff and Ethics Committees on day to day basis.

Target Audience:

- Ethics Committee Members
- Investigators & Sub – Investigators
- Clinical Research Coordinators
- Site Managers
- Site QA / Compliance Teams
- Clinical Research Associates
- Site Management Organization Personnel

Workshop Shall Cover:

- An Update of the Regulatory Changes in India & its impact
- SOPs for Sites & Ethics Committees
- Facing Inspections
- Ongoing monitoring of Clinical Trials for Sites & Ethics Committees
- Case Studies, Discussions & Interactions for hands-on experience
